PVS License Plate Frequently Asked Questions

Act 11 was signed on July 1, 2021, which allowed the Polynesian Voyaging Society specialty license plate to be issued. On Jan. 31, 2022, the license plates became available at all satellite city halls on O‘ahu.

Q: How can I get the Polynesian Voyaging Society License Plate?

A: The registered owner of the vehicle must complete the application form, present the certificate of registration and pay the fees at a satellite city hall. No appointment is needed. The application form is available online at <http://www.honolulu.gov/rep/site/csd/onlineforms/cslmvr211.pdf>

Q: How much does it cost?

A: The total fee is **\$35.50**:

- \$20.00 Supports the organization
- \$5.00 Processing
- \$10.00 License plates (two license plates)
- \$.50 Registration emblem replacement

NOTE: If the vehicle registration is expired or will expire within 45 days of the processing of the plate replacement, the applicable renewal fees and taxes will be assessed and must be paid.

Q: Is there a Polynesian Voyaging Society license plate for electric vehicles?

A: No. A specialty license plate identifying a vehicle as electric is not available.

Q: Will I be able to keep my current plate number? Will I be able to personalize the license plate?

A: No. Your vehicle will be assigned a new license plate number in sequential order.

Q: What is the letter and number combination for the license plate?

A: Satellite city halls will issue the license plate sequence that begin with the letters PW, PX, PY, PZ, RA, RB, RC and RD. There are approximately 1,000 plates available in each of these letter sequences.
